● Introduction

PHYHEAL is a bio venture, where we research, develop, and manufacture new functional cosmetic ingredients using marine natural resources. Sargassum serratifolium is our key ingredient, for which we have completed numerous studies. We are the only manufacturer using Sargassum serratifolium.

We have our own unique manufacturing process for Sargassum serratifolium and numerous papers and patents.

Sargassum serratifolium is the first ingredient to show multiple functionalities as a single substance. The active ingredient of Sargassum serratifolium has high whitening, anti-wrinkle, antioxidant, anti-inflammatory and antibacterial activities even at low concentration. While it has yet to become a household name, its value suggests a new paradigm is on the way.

● History

- 2018.03** •Established PHYHEAL Co., Ltd.
- 2018.05** •Selected as U-Tech Valley business (Technology Guarantee Fund)
- 2019.08** •Selected as innovative R&D
- 2019.10** •Selected as a Didimdol project
- 2019.11** •Accredited company-affiliated research institute
- 2020.11** •Accredited research development dedicated department
- 2021.02** •NET certification (New technology certification by the Ministry of Oceans and Fisheries 2021-02)
- 2022.04** •Distribution agreement with North American Holding

PRODUCTS

01

Maresio Revitalizing Serum 30ml & Booster 10ml

Serum Ingredients Purified Water, Sawtooth Root Extract (500ppm), Propanediol, Niacinamide, Glycerin, 1,2-Hexanediol, Aloe Vera Leaf Juice, Biosaccharide Gum-1, PEG-60 Hydrogenated Castor Oil, Arginine, Hydroxyacetophenone, Carbomer, Ethyl Hexylglycerin, Centella Asiatica Extract, Allantoin, Panthenol, Acetylglucosamine, Hydrolyzed Collagen, Fragrance (Benzyl Salicylate, Butylphenylmethylpropional, Hexylcinnamal, Limonene), Adenosine, Disodium EDTA, Sodium Hyaluronate

Booster ingredient Sargassum serratifolium (5,000ppm) 97.96%, Niacinamide, Adenosine

Efficacy

- Whitening (50 times that of arbutin)
- Wrinkle enhancement (5 times that of Retinyl Palmitate)
- Antioxidant (200 times that of N-acetyl cysteine)
- Anti-inflammatory (8 times that of curcumin)
- Antibacterial (extinct Propionibacterium acnes at 256ppm)

02

Maresio Revitalizing Serum Eye Cream 30ml

Serum Ingredients Purified Water, Glycerin, Butylene Glycol, Caprylic/Capric Triglyceride, Cyclopentasiloxane, Sargassum Serratifolium Extract (500ppm), Olive Oil, Cyclohexasiloxane, Niacinamide, Dipropylene Glycol, Rice Oil Ban, Tocopheryl Acetate, Panthenol, 1,2-Nucleic Acid Diol, Aloe Vera Leaf Juice, Steareth-20, PEG-75 Stearate, Glyceryl Stearate, Cetyl Alcohol, Ceteth-20, Dimethicone, Stearic Acid, Palmitic Acid, Dimethicone/Vinyldimethicone Crosspolymer, Carbomer, Sodium Hyaluronate, Titanium Dioxide, Sodium Hydroxide, Polysilico-11, Nylon 12, Silica, PEG - 10 Dimethicone, Polysorbate 40, Isohexadecane, Ammonium Polyacryloyl Dimethyl Taurate, Ethyl Hexylglycerin, Fragrance (Butylphenylmethylpropional, Linalool, Citronellol), Eucalyptus Leaves, Adenosine

Efficacy

- Whitening (50 times that of arbutin)
- Wrinkle enhancement (5 times that of Retinyl Palmitate)
- Antioxidant (200 times that of N-acetyl cysteine)
- Anti-inflammatory (8 times that of curcumin)
- Anti-inflammatory (extinct Propionibacterium acnes)

03

Maresio Revitalizing Serum Eye Ampoule 30ml

Serum Ingredients Purified water, Sargassum Serratifolium extract (500ppm), propanediol, niacinamide, glycerin, 1,2-hexanediol, aloe vera leaf juice, biosaccharide gum -1, PEG-60 hydrogenated castor oil, arginine, Hydroxyacetophenone, Carbomer, Ethylhexylglycerin, Centella asiatica extract, Allantoin, Panthenol, Acetyl Glucosamine, Hydrolyzed Collagen, Fragrance, Benzyl Salicylate, Butylphenylmethylpropional, Hexylcinnamal, Limonene, Adenosine, Di Sodium EDTA, Sodium Hyaluronate

Efficacy

- Whitening (50 times that of arbutin)
- Wrinkle enhancement (5 times that of Retinyl Palmitate)
- Antioxidant (200 times that of N-acetyl cysteine)
- Anti-inflammatory (8 times that of curcumin)
- Anti-inflammatory (extinct Propionibacterium acnes)
