## MTS

### Micro-Needle Therapy System

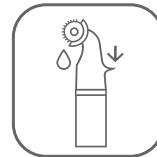

This is a special treatment kit that combines the 'OHOHSOO Recipe S ampoule 5ml' with a sterile disposable micro needle (0.25mm) roller as an integral part.

Gently use the roller for 10-15 minutes

## HOW TO USE

Mix contents of #2 into #1.

Apply pressure with the arrow facing down to release the ampoule.

Apply with the roller over the nose and the face.

### Note:

Disinfect with rubbing alcohol before use. Do not share with others.  
Gently use the roller for 10-15 minutes. Do not apply too much pressure.  
After use, apply a sheet face mask for optimal results.

Experiences flaking from severe dry skin

Is unsatisfied with other MVP skincare products

## Company

We are planning to develop various home care products so that customers can easily take care of their skin at home, such as launching MTS(Micro-needle Therapy System) care products, which we thought could only be received at the esthetic center.

Our highly effective premium skincare products and care regimen help anyone achieve satisfying, professional-level results.
