● Introduction Double Lee Co., Ltd.

Double Lee was established in August 2021 in Busan as a cosmetics manufacturer and seller. To meet consumer needs for products suitable for all skin types, we create original products that are fresh and light, and packed with moisture and nutrition for the fatigued skin of modern people.

Our products are manufactured in ISO 22716, CGMP and "Ecocert" certified. Our products contain at least 95% natural or organic ingredients of superior quality and stability.

With our excellent quality, we will continue our research and strive to grow as a leading company in Korea and across the globe.

We would like to thank our customers for their ongoing support and loyalty to our brand.
