A hangover and fatigue reliever that helps rejuvenation that oriental doctors and professors have studied together

Hangover relief as well as rejuvenation

**CHINGUYA** 

MYUNGSUNG BIO

# Outstanding hangover relief ability compared to other companies!

## **ADH** activity

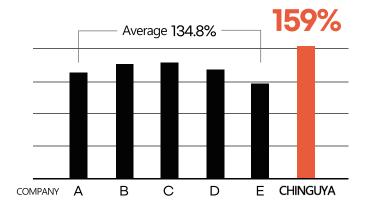

**ADH**: An enzyme that breaks down alcohol in the body into acetaldehyde.

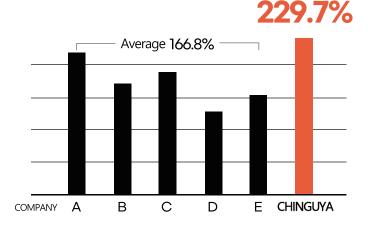

The higher the activity,

the faster the body can digest alcohol.

# **ALDH** activity

**ALDH:** Detoxifies acetaldehyde to decompose and discharge harmless acetic acid.

Additive NO You can eat with confidence!

sweeteners

Easy to configure

It is a 10g liquid type, so it is easy and convenient!

Refreshing taste without lingering

The scent is not strong, so it tastes easy for everyone to eat! It doesn't remain in your mouth and helps you feel full!

**HACCP** facility

Businesses that apply excellent health functional food manufacturing standards!

\* HACCP : Korea Food Safety Management Certification

## Solve hangover and fatigue at the same time

hangover symptoms such as headache, nausea, thirst dizziness, diarrhea, frequent bowel movements, and so on. Solve tough daily lives together due to excessive stress and fatigue!

CHINGUYA

## **CHINGUYA** main ingredient
